THIS Catalogue was formed by the late EARL OF HARDWICKE, *and contains, among many curious and intereſting papers never given to the public, ſeveral which have been printed by the* Earl of Hardwicke *himſelf, as well in* Sir Dudley Carleton's Collection of Letters, *and his two volumes of* State Papers, *as in ſome other modern publications. Want of leiſure, and the difficulty of exactly aſcertaining all ſuch as are in print, have prevented their being particularly diſtinguiſhed.*
